TC 2800 MAIL ROOM

**REPLY TO FINAL REJECTION**

Sir:

In response to the final rejection mailed January 13, 2003, please amend the above referenced patent application as follows:

**IN THE CLAIMS**

*Not Appraised  
for entry  
1/28/03  
C.L.H.*  
Please amend claim 1 as follows:

1 (Twice Amended). A flat panel display comprising:

a tiled array of display elements wherein each display element has a front surface that emits light and a back surface that does not substantially emit light;

a plurality of seams between adjacent display elements, said seams having lengths;

a plurality of straps attached to said back surface along the seam length between the display elements; and

an optical integrator attached to the front surface of the display elements, said plurality of straps redistributing stress from the optical integrator to the straps.

Date of Deposit: <u>January 22, 2003</u>
I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as <b>first class mail</b> with sufficient postage on the date indicated above and is addressed to the Commissioner for Patents, Washington DC 20231.
